

Armature Coil

Confiability, Precision and Quality

INO as manufacturer of armature coil for DC motors standard and special, wish to make partnership with your organization, as your supplier of these electrical components.

We have stock of rectangular wires, where we have conditions to attend your needs with reduced time delivery.

If your company has any type of coil that frequently you do use often, we can keep stock in our warehouse, shipping as your necessity.

With this partnership, you can reduce your stock of rectangular wires, also not increasing small quantities, with exceed, reducing time delivery, subtracting cost.
